

BAR TO MEET IN GARY ON JANUARY 3RD

At a meeting of the Lake County Bar association, which was held this week, a motion was adopted calling for the appointment of a legislative committee, which will receive and consider suggestions as to legislation, which should be introduced at the ensuing session of the legislature.

This committee will be in session during the week of Dec. 27 to Jan. 1, and at its meetings members of the bar will submit propositions. A meeting of the Bar association will be held at the superior court in Gary on Jan. 3 at 10 o'clock at which the committee will render a report. Propositions favorably acted upon by the association will then be turned over to the committee, which will endeavor to secure passage.

Attorney Joseph H. Conroy of Hammond is chairman and other members of the committee are W. J. McAtee and W. J. Whinery of Hammond; C. W. Greenlee and Dwight M. Kinder of Gary; Frank Gavit and J. H. Fetterhoff of Whiting; John Kilgrew of Crown Point; W. J. Murray and H. M. Cohen of East Chicago.

ALL GRIST IN HOPPER SAYS W.G.H.

BY JACK ROYLE
(STAFF CORRESPONDENT L. N. SERVICE)
MARION, O., Dec. 18.—It is all grist in the hopper," Senator Harding said today in discussing his conference of the last two weeks. We are trying to grind out a product that will be sustaining and palatable to the American people.

Senator Harding announced that he had formulated his own mind a plan for an international policy which he believed possible of accomplishment. That plan, he said, had been placed before many of his conferees and he let it be seen that he was greatly encouraged over the approval they expressed.

Such approval, he indicated, had come from men of every shade of opinion and had been endorsed by thinkers as widely separated as Wm. Jennings Bryan and Senator A. B. Fall.

He let it be known that he awaited with the greatest interest the comments of Senator Reed, of Missouri, with whom he discussed the plan today. The Missouri senator is an irreconcilable of the irreconcilables, so far as the league of nations is concerned.

It is felt at Harding headquarters that he sacrificed more than any man in public life by his strenuous opposition to the league and the Versailles treaty.

"Some say I did it to be stubborn," Senator Reed said laughingly, "but Senator Harding does not agree with that view, he asserted."

Entirely different points of view to those of the democratic senator were encountered by Senator Harding in his other conferences today. Senator Harry New will spend the week end with the president-elect and is expected to discuss at length the present situation in congress as well as international affairs. Nicholas Murray Butler, president of Columbia University, was scheduled to arrive some time during the day.

His first woman visitor, Mrs. Susan A. Radley, of Chicago, chairman of the National Committee of Quaker Descendants, informed Senator Harding that it was her belief that the only proper solution of the international situation was to begin anew instead of basing any future plan on the present league and treaty.

BRYCE—Area sown this fall is 4,653,600 acres, which is 11.4 per cent less than the revised estimate area sown in the fall of 1919 (viz: 25,250,000 acres). Condition on Dec. 1 was 96.5 against

\$3.8 and \$3.0 on Dec. 1, 1919 and 1918, respectively, and a ten year average of 91.2.

CASE VENUED FOUR TIMES

An interesting case for the possession of property which has already been before Justice of the Peace Johnson and Fredericks of Hammond and Justice Laube of Gary was settled a fourth time to Hobart yesterday.

George Morton rented a house at 311 Claude street of Jiske Lethbridge, who wanted him to vacate Oct. 1 and brought suit to evict him when George refused to move. P. H. Murray is counsel for the plaintiff and E. E. Stinson, for the defendant. Inability to find a suitable home is said to be the reason for the latter's refusal to leave.

STATE ORGANIZATION TO BE EFFECTED

At a meeting to be held in the Oliver hotel in South Bend, Sunday, Dec. 29, the American Association for the Recognition of the Irish Republic, will be organized as a state organization and elect state officers. The meeting, which will be the most important of its kind ever held in the state, will start at 10 a. m.

This is the organization recently started at the request of President De Valera a few weeks ago in Washington, D. C.

Everyone interested in the work is invited to attend. A large delegation from Gary and East Chicago will be present.
